

# SAM Registration Service

US Federal Contractor Registration (USFCR) System for Award Management (SAM), registration service delivers fast and cost-effective compliance for federal contracting or nonprofit entities. We also include yearlong support to make sure you remain in compliance throughout federal policy or business changes. For small business clients, we will optimize your Dynamic Small Business Search (DSBS) profile and pre-qualify you for veteran-owned, woman-owned, disadvantaged, or HUBZone set-asides.

## SAM REGISTRATION CHALLENGES

### Processing

Registering in SAM can be a complex undertaking for those not experienced in processing government forms.

### Set-Aside Qualification

Businesses miss out on contracting opportunities when their qualification status for a set-aside is uncertain.

### Compliance Penalties

Errors in a SAM registration can result in fines or delay of contract payments.

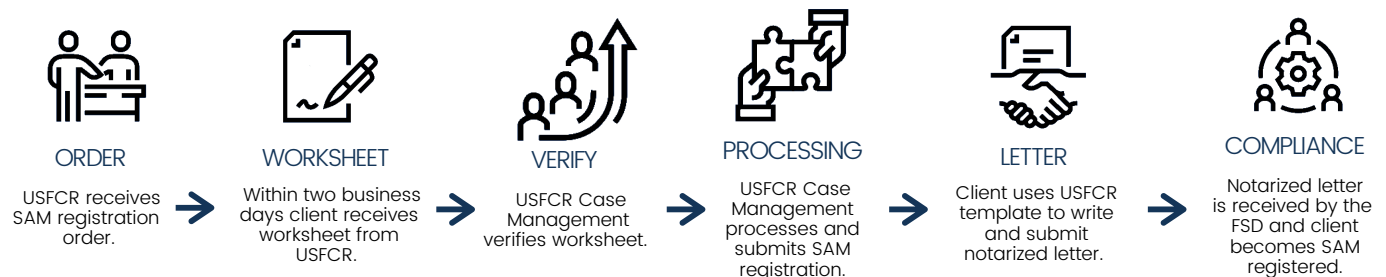

### Lack of Network and Education

Entering the federal marketplace without a network of primes or proper educational resources leaves businesses at a severe disadvantage.

## INSIDE USFCR'S SOLUTION

By outsourcing the SAM Registration process, a small business or nonprofit can reach compliance in a cost and time-effective manner.

## BENEFITS

### Speed and Accuracy

USFCR provides fast and accurate government registration services.

### Set-aside Prequalification

Our team will determine if you are qualified for: SD/VOSB, ED/WOSB, 8(a), or HUBZone.

### Compliance Maintenance

With USFCR, you get yearlong support for your SAM registration to ensure you remain in compliance.

### Networking and Educational Resources

USFCR clients have access to the USFCR Academy. This group provides virtual networking opportunities and on-demand and live webinars.
